

So January seemed to last three months and February should have been given a speeding ticket, which now brings us to March (how did that happen?!)

March is filled to the brim with fun events (like every month because we're just that good) and they are all coming your way for you to take part.

Speaking of taking part, did you know that elections are happening this month? yup that's right, the SU elections are here and it's time for you to have your say by voting for your new Executive team and Sabbatical Officers.

We have had the best time being your Sabbs this year, but we can't stay forever; that's why it's important for you to have your say in who you want next year! Voting is super fun and easy and we'll be in the courtyard or refectory every lunch time this week for you to cast your votes!

With the end of term just around the corner, we wanted to say a massive thank you for all your support and excitement you've shown in taking part with our events. There's nothing better than seeing how much you enjoy the events we work so hard to plan. We hope you all have great breaks and get the rest you all deserve.

Don't forget to get involved this month and we look forward to seeing you all back after the break!

The warmest of regards,

WOMENS HISTORY MONTH

MARCH 2020

In collaboration with Gender Equalities Officer, Caitlin, & Race Equalities Officer, Louise, AUBSU is proud to present a lineup of events designed to inform and empower all AUB students.

Womens History Month is the opportunity to celebrate and highlight the contributions of women to events in history and contemporary society, in hopes that the day will soon come when it's impossible to teach or learn history without remembering these contributions.

A full list of events and how you can get involved, can be found on the [AUBSU website](https://aubsu.co.uk). Don't forget, you can also follow your officers on their dedicated Instagrams! [@aubsu_gender](https://www.instagram.com/aubsu_gender) & [@aubsu_race](https://www.instagram.com/aubsu_race)

STUDENT ELECTIONS

You must have heard about them by now, or rather, must have SEEN them by now! Yes, some of your fellow AUB students are out campaigning on the courtyard telling you how much they want to lead AUBSU next year.

Who knows, you could have spoken to the future President of AUBSU, or maybe even the next Clubs & Societies Officer. Well, because we LOVE democracy here, we are giving **YOU** the chance to have your say on who you want to represent you next year. How can you do this you ask? Simple, by voting!

All you have to do is check out: aubsu.co.uk/vote to submit your vote.

Choose from any of the candidates standing, OR, you can choose **R.O.N** - oh yeah, pretty cool guy...jokes aside! RON stands for - **Re-open Nominations**. If you don't believe anyone is suitable, you can vote R.O.N for us to reopen the nominations & let someone else nominate themselves.

Be sure to check out the candidates manifestos to see what they want to achieve over the next year! But if you want our advice.. the best thing to do is go outside and talk to the candidates!

Make sure you have your vote in the elections - heck, if we get enough we are bringing goats to campus. You heard us. **Goats.**

Your feedback is essential for us to keep improving, doing cool things, and making sure that your voice is heard. We ask for your feedback a lot - Think Tank, surveys, questions...whilst it may seem like we never stop asking, it's actually had a big impact on the Union.
