Hey folks we're back!! Hope you all had a lovely restful break and are looking forward to a new term here at AUB! This term we have lots of fun events planned, so make sure to check out our Instagram to stay up to date with all the fabulous things on offer! We also know that deadlines can be super stressful during the spring term, so please make sure you're taking care of yourselves and getting plenty of rest, and check out some of the things we do as part of our small things matter campaign for small ways you can take care of your well-being! Hope you all have a wonderful term and a great 2022!

YOU SAID WE DID - This month we've been working on:

Getting things back on track when it comes to interactive events on campus with creative workshops, LGBTQ+ History Month, and our big TSTM events to come.

Period products on campus are coming soon! We're just working out the final logistics, so keep your eyes peeled.

Working with YOU to give AUB feedback on new units like Transitions and Synergies, to ensure you get what you want from your course.

Come along to the Courtyard at lunchtime on Tuesday 22nd February for a Small Things Matter Activity!
