

AUBSU Newsletter

The end is truly just another beginning. Take a moment to take a step back and see how much you've accomplished over this past academic year, as it is coming to an end. We are incredibly proud of every single one of you for the commitment, perseverance, and creativity you've shown throughout the most challenging times. Once you've submitted your work you truly deserve to take a break, buy yourself an ice cream and chill out on the beach.

Kindest Regards,
Lou & Kam

Growing Greener

We believe that, as an organisation,
we have a responsibility to ensure
that we are acting in an
environmentally friendly way and to
encourage all our members to join
us in our quest to grow greener.
