Can you believe it's March already? With spring just around the corner, it won't be long before we're all enjoying the warm and sunny days ahead. We've planned lots of events to make the most of the changing season, like our tree planting day at the end of March! We also have some exciting announcements coming up in the next few weeks, so don't forget to keep an eye on our socials during the Easter Break. A BIG congratulations to Miles and Vee, the new Student Union President and Vice President for 2022/23! Enjoy the rest of your term!!

Kindest Regards,
Ellie & Judith

Women's History Month

March is Women's History Month! This gives us an opportunity to celebrate and highlight the contributions of women to events in history and contemporary society! Who inspires you?

YOU SAID WE DID - This month we've been working on:

Markets: You wanted more chances to buy and sell stuff on campus, we did it! We have been running our regular market days, and are running a big Slow Fashion Market during Go Green Week, come along on the 16th for lots of planet saving goodies.

Big Events: We're deep in planning our big end of year parties, so keep your eyes on our social media for details coming to you next term.

Your Wellbeing: AUBSU knows things have been extra tough the last few years, so we have been planning our "Big Student Check In". We're hoping to collect lots of feedback from you about how you are finding everything from the Support Services at AUB, to accessibility issues and representation.

Come along to the Courtyard at lunchtime on Tuesday 22nd March for a Small Things Matter Activity!
