

AUBSU Newsletter

Everything is in full spin right now as deadlines are approaching. We understand that things might be stressful at the moment (we've been there not long ago, ooof), but we believe in every single one of you. Stay focused, look after yourself, enjoy the sunny days whenever you can. 'We've got to work this out, we'll make things right, the sun will shine.' Troy Bolton

Kindest Regards,
Lou & Kam
